

> ASK

Ask is our solution for remote monitoring of assets from complete petrol stations to jet wash stations. With Ask you can ensure that your most critical assets are monitored 24h/7, 365 days a year, reducing downtimes and improving the overall efficiency of your business. Also, you can monitor not only electricity or water consumptions, but also monitor your stocks and automatically trigger maintenance actions, all from the palm of your hand.

KEYWORDS:

- » Remote Monitoring of Assets;
- » Increase Energy Efficiency;
- » Scalable & Easy to Deploy;
- » Integrate with Video Surveillance;
